

In the “/model-type” page, there are some eye-shaped icons (see the image below)

The screenshot shows a web application interface. At the top, a blue header bar displays "Welcome Mozell.Jacobi@yahoo.com". On the left, a sidebar contains three links: "Device Type", "Model Type", and "Add Model Type". The main content area features a table with the following columns: "Show Data", "Id", "BrandId", and "Name". The table contains 11 rows of data. The "Show Data" column contains eye-shaped icons. A green arrow points to the eye icon in the second row (Id 2).

Show Data	Id	BrandId	Name
	1	PuritanBennett	PB840
	2	Hamilton	Galileo
	3	Mindray	A3
	4	Drager	Savina
	5	Maquet	Servo-i
	6	Maquet	Servo-u
	7	Maquet	RotaFlow
	8	Medos	Deltastream
	9	Pulsion	PulsioFlex
	10	Respiratory Motion	ExSpiron
	11	ivWatch	Model 400

Clicking one of these eyes will open the “/model-data” page, where the model data will be shown.
